

November 7, 2008 - Santa Fe Springs, California - iCoat's new Website was honored 5th place in the top ten nominated websites for the "Website of the Year" Award at OLA 2008 in Nashville, TN. The award was ranked based on usefulness to ECP, ease of use and the site's overall look and design.

www.icoatcompany.com is a contemporary easy to use and easy to navigate website. The website is a great tool for Eyecare Professionals and provides them with quick access to iCoat products and services, online ordering, education materials and CE credits, discounts and promotion information, and latest news and event information.
