June 1, 2010

Dear iCoat Customer,

iCoat Company is proud to announce its new digital back-surfaced freeform lenses, **Inscribe™**. **Inscribe™** lenses are digital backside-surfaced progressives that incorporate advanced digital algorithms to derive a precise and unique progressive design. Manufactured completely in real time, **Inscribe™** lenses are a custom-optimized design that maximizes a patient's particular visual needs. **Inscribe™** lenses are available in 13 different materials including polarized and Transitions.

Please see the enclosed brochure for detailed information on **Inscribe™** lenses and its corresponding layout and fitting chart.

For information on how to place an order for **Inscribe™** lenses or other iCoat products please call 800.832.2628 and one of our customer service reps will be happy to help you. Thank you for your continued support.

Sincerely,

iCoat Company
